**WARRANTY**

# DomoFlex®

the homelift for everyone

## No structural work required

Say goodbye to construction work in your home - you don't even need a pit to have your own mini lift, with either manual or automatic landing doors.

## 5-year warranty

- The only one in Italy to offer such an extended warranty as standard.
- Peace of mind, with the certainty of having a safe and reliable product in your home, built to last.

## No machine room required

You won't need to sacrifice any space for a machine room in your home - the entire system is built into the home lift shaft!

# DomoFlex® meets every need

Suitable for both indoor and outdoor use, its clean, minimalist design blends seamlessly into residential, professional, and high-end environments. Its panoramic finish makes it the ideal solution even in architectural settings where a low visual impact is required.

# DomoFlex®

## Silent

Thanks to our "Silent Pack" system, using or having **DomoFlex®** in your home is now even more comfortable - nothing will disturb your peace of mind.

## Maximum safety and reliability

Thanks to the integrated remote monitoring system 'Sentinel', we can constantly check that your homelift is always running at peak efficiency. This means no unexpected breakdowns and faster, simpler, and more cost-effective maintenance.

# DomoFlex®

**DomoFlex®** is your everyday little luxury - a perfect blend of elegance, comfort, and safety. Installing in penthouses or connecting intermediate floors is easy with **DomoFlex®**.
